

Family fun with PBS KIDS

Join PBS Wisconsin and the Wisconsin Early Childhood Association in celebrating Family Friday during Week of the Young Child with free resources from PBS KIDS!

Inspired by your favorite PBS KIDS characters, these games, activities, and videos are perfect for learning together and making new family memories!

Celebrate family and cultures

Make a memory box with *Alma's Way*: As a family, craft a unique memory box that celebrates a special event or your family's culture. What funny stories and heartfelt moments can you remember together? This activity is available in [English](#) and [Spanish](#).

Collaborative creations: Check out this episode of [Jelly, Ben and Pogo](#) to see how the friends repair and improve Jelly and Ben's father's favorite childhood toy. Then, use household items to recreate or invent a new toy!

Flex your creativity

Do the carrot cake dance with *Lyla in the Loop*: Bake a carrot cake with your child by following the steps of this recipe together. Then, watch a clip from *Lyla in the Loop* and learn the carrot cake dance! This activity is available in [English](#) and [Spanish](#).

Step it out with *Work it Out Wombats*: Play this [digital game](#) to help your child use creative thinking to make and test sequences! Discover different ways to make a sandwich, build a sand castle, and more!

Encourage collaboration

Make encouragement flags: Watch a [video](#) showing how Donkey Hodie and his friends cheer each other on as they try to climb to the top of Mount Really High Up. Then, help your child make an encouragement flag for a sibling or friend! This activity is available in [English and Spanish](#).

Daniel Tiger's Classroom Helpers: Play this [digital game](#) to explore ways your child can be helpful at school and encourage them to be proud about taking on more responsibilities at home!

Build literacy

Save the day with Super Why: Watch this episode of [Super Why's Comic Book Adventures](#) to see how the super readers use the power of reading to stop a word storm. Then play [letter hopscotch](#) with your child to practice letter recognition!

Make a nature journal with Molly: Watch a [clip](#) from *Molly of Denali* where Molly and Trini observe puffins! Then, create an [animal observation journal](#) with your child to record observations about the animals in your neighborhood.

Explore the world of work

What Can You Become: Grown-ups with cool careers were once kids with awesome interests! Explore a world of possibilities for your child's future with this series of [PBS KIDS shorts](#)!

Jamming on the Job podcast: Join Christina, Andrés, and Magic Beatmaster Boombox for a [musical podcast](#) about the world of work. Each place they go, they meet a grown-up with a different job who helps them along their way.
